## MENU SELECTIONS

Memories of  
love made in  
Belize!

Our chef's artfully crafted menus are inspired by the rich culinary heritage of Belize, combining fresh, local ingredients with refined global techniques.

Because we offer a wide variety of reception dining experiences—from lavish buffets to elegant banquets—these selections are not included in the initial wedding package pricing. This allows each couple the flexibility to choose a menu that best complements their vision, preferences, and guest experience.
